

CELTIC FC FLORIDA "TEAM" PHILOSOPHY

"Talent wins games, but teamwork and intelligence wins championships."
- Michael Jordan

A team is as strong as the relationships within it. However, at Celtic FC Florida, our teams continue to become stronger by:

- Believing that the strength of the team is each individual member...and that the strength of each member is the team
- Displaying a positive attitude on and off the field
- Every player making the right decisions for the team at all times
- Always wanting more...and always giving more
- Focusing on our communication
- Taking care of ourselves physically and mentally so we are well-prepared to win
- Playing the game we love to play
- Striving for excellence in everything we do
- Staying grounded and humble as players and as people
- Putting forth the effort to win in every game we play

At Celtic FC Florida, we believe that having an unyielding belief in ourselves, our teammates, our club, and in our ability to achieve our goals is what will make our teams succeed.
